

SCHEDULE OF VOLUNTARY SCHOOL CONTRIBUTIONS AND CHARGES 2026

Dear Parents/Carers

Financial support provided by families through voluntary contributions and charges plays a critical role in maintaining quality teaching and learning programs and enabling the provision of an enriched curriculum and enhanced learning experiences for students.

Parents who contribute financially to the school through voluntary contributions assist in the maintenance of educational resources at a level needed to meet children's needs in a constantly changing educational environment. Key areas such as literacy, numeracy, science, and information technology are enhanced through voluntary contributions.

Gladys Newton School Board has endorsed the following schedule of Voluntary Contributions and Charges which will enable families to budget for all expenses throughout the year. We hope all families see the importance of paying the contribution and supporting our student learning programs in 2026.
